

Your Access to this Course

Everyone needs special accommodation at some point because we all learn differently. I am happy to work with the [Services for Students with Disabilities \(SSD\) staff](#) or directly with you to make sure that you have the support you need.

For anyone who needs extra time on assignments

No problem. You can arrange whatever you need. If you need more time on a project, take the time you need. This course has a grace period that allows everyone extra time if needed. Check the [details on Due Dates & the Late Policy](#) for more details.

For anyone who needs a less-distracting environment

You can arrange to do your work for this course any place that works for you. Since all work is done online and independently, you have complete control over where you work.

Providing documentation of special needs

I generally do not require official documentation unless the university requires it for some reason. I do require that you let me know of any accommodation you need **during the first week of classes** so that I can make sure I arrange the support you need. I can only make accommodations for the future. I don't have a time machine (oh, how I wish I did!), so I can't apply them to past situations.

For anyone with official documentation:

Contact [Services for Students with Disabilities](#) (SSD) in 310 Lavery Hall ([map link](#), above the Turner Place Dining Center) as soon as possible to ensure that you have the resources you need to participate in the class. The procedures and forms you need are also available on the SSD website.

For anyone without official documentation:

I know that the official testing can be expensive and time-consuming. Send me [a private message in Canvas](#) **during the first week of classes** that tells me what you need, and I will try to help.
