

Technical Writing Best Draft Shortcuts

Find the key links for each of the Best Draft Submissions below. Be sure to follow the additional links on these pages for more information on the projects.

Project Proposal Form

Choose a website for a local business, nonprofit, organization, or other group, and propose that site as the topic for your Recommendation Report by completing the proposal form.

[Website Requirements](#) ● [Submission Form](#)

Audience Analysis Form

Analyze the audience for your recommendation report (the decisionmaker who can implement your ideas) and the audience for the website itself. Record your answers on the analysis form.
