Copilot Prompt to Determine the Kind of Writing

For an uploaded file

I am writing a document that identifies various kinds of writing in my career field, which is _____. I am uploading a sample technical document from my field.

Review the uploaded document and identify the genre of technical writing that fits the sample of writing best. Tell me its genre and let me know if it fits more than one genre. Include a list of reasons that the sample fits the genres that you suggest. If there is more than one genre, indicate which genre it fits best and explain why.

For a document you paste in

I am writing a document that identifies various kinds of writing in my career field, which is _____. I am pasting in a sample technical document from my field below.

Review the document below and identify the genre of technical writing that fits the sample of writing best. Tell me its genre and let me know if it fits more than one genre. Include a list of reasons that the sample fits the genres that you suggest. If there is more than one genre, indicate which genre it fits best and explain why.
